An independent review undertaken by the charity Barnardo's on behalf of the Archdiocese of Birmingham in relation to the management of concerns about Joseph Quigley, a priest in the Archdiocese, is now available on the Diocesan website: www.birminghamdiocese.org.uk.

The Trustees of the Archdiocese of Birmingham have accepted this review and its 18 recommendations in full and you can also see the full response on the website. As an institution it is for the present Bishops and Trustees to take corporate responsibility, to apologise, learn and ensure best safeguarding practice now and in the future. There has been a significant amount of positive change in Diocesan safeguarding practice. However, these recommendations will help inform ongoing learning and improvement within the Archdiocese.

In line with a wider national picture, we must acknowledge a significant drop in numbers of people attending Mass. This inevitably effects our income. Both of these facts are quite alarming! For your information please note the figures below.....
