

## Customary Prayers Said at St. Anne & St. Joseph

The Jubilee Year began with the opening of the Holy Door in St Peter's Basilica in Rome, on **Tuesday 24 December 2024** and runs to the **Feast of Epiphany 2026**.

**Jubilee Prayer** Father in heaven, may the faith you have given us in your son, Jesus Christ, our brother, and the flame of charity enkindled in our hearts by the Holy Spirit, reawaken in us the blessed hope for the coming of your Kingdom. May your grace transform us into tireless cultivators of the seeds of the Gospel. May those seeds transform from within both humanity and the whole cosmos in the sure expectation of a new heaven and a new earth, when, with the powers of Evil vanquished, your glory will shine eternally.

May the grace of the Jubilee reawaken in us, Pilgrims of Hope, a yearning for the treasures of heaven. May that same grace spread the joy and peace of our Redeemer throughout the earth. To you our God, eternally blessed, be glory and praise for ever. Amen

**Diocesan Prayer for Vocations** Heavenly Father, we ask you to send labourers into your harvest. Inspire, in the hearts of your people, vocations to the priesthood, diaconate and religious life. Bless our families with a spirit of generosity, so that those whom you call have the courage to give themselves to your Church in faith. Through Christ our Lord. Amen,"

**Prayer for peace:** Almighty and eternal Father, God of wisdom and mercy, whose power exceeds all forces of arms and whose protection in the strong defence of all who trust in thee, enlighten and direct we beseech thee, those who bear the heavy responsibility of government throughout the world in these days of stress and trial. Grant them the strength to stand firm for what is right and the skill to dispel the fears that foment discord. Inspire them to be mindful of the horrors of atomic war for victor and vanquished alike, to seek conciliation in truth and patience, to see in every man a brother and a sister that the people of all nations may, in our day, enjoy the blessings of a just and lasting peace.

Conscious of our own unworthiness, we implore thy mercy on a sinful world, in the name of thy Divine Son, the prince of peace, and through the intercession of his blessed mother and all the saints.

Queen of all saints ..... Pray for us

### THE WRINKLED HANDS OF MY PARENTS

The year 2025 is gone and the new one is here, thanks to God Almighty for his benevolence all through the years of our lives. The Lord is good all the time and all the time the Lord is good.

Last Sunday Dec 28th the Church celebrated the feast of the Holy Family of Nazareth, our priest explained to us the inner life of the Holy family indicating that the joys and troubles we find in our own families, do not differ from what was going on in the family of Jesus Mary and Joseph at Nazareth.

The first reading from Sirach 3:2-6,12-14 spoke to us of the dynamics of family life and the attitude children should have towards their parents.

*Children listen to me your father, do what I tell you and so be safe. The Lord upholds the rights of a mother over her sons. Whoever respects his father, is atoning for his sins, who ever honours his mother is like someone amassing a fortune. Whoever respects his parents will be happy with children of his own. Whoever sets his mother at ease, is showing obedience to the Lord. Respect your father in deed as well as in word. So that a blessing may come on you from him. A father's blessing makes the houses of his children firm, while a mother's curse tears up their foundations.*

Those are powerful words reminding us of the authority of the parents in a family which cannot be disputed. Then the word of God turns to the children:

*My son support your father in his old age. Do not grieve him during his life. Even if his mind should fail, show him sympathy, do not despise him in your own health and strength for kind to a father shall not be forgotten. The man who deserts his father is no better than a blasphemer, and who ever angers his mother, is accursed of the Lord"*

We enter the new year 2026 asking for God's blessings upon our families throughout the year. The first blessings come by creating harmony in our families, by mind-ing for the weakest among us first. When I look at the wrinkled face of my mother, I'm reminded of the light her face radiated in my childhood. I noticed that she has lost all her teeth, but I would not have learned how to smile if she did smile at me as she held me up. My parents hands are now wrinkled and shaky, yet these are the very hands that so many times held my hands teaching me how to walk.

We thank God for the gift for those hands which once changed our nappies; they are blessed hands capable of imparting blessings and a curse. *My son support your father (mother) in old age, even if their mind should fail, show them sympathy.*

## MATTERS OF IMPORTANCE

**Training to become a catechist:** are you interested in teaching the Catholic Christian faith in our parish? If so, Fr. Jimmy would like to form parishioners endowed with deep personal faith, witness, and accompaniment, who can assist different faith groups to develop their faith or to sustain it. You will learn to explain the faith, live as a witness, and guide others in ways of how to be a committed catholic. Particular interest is in young people who wish to share their faith with other people. At the end of the course the catechist will be expected to lead prayer services in the schools, visit the sick with Holy Communion and let the parish priest know those who need a visit. If you are interested please contact Fr Jimmy.

**Cutting the grass in our church grounds** and in the graveyard costs the parish about £3000 per year. This is a big sum to raise and to spend on that activity. Throughout summer last year, the grass was cut by the Parish priest, saving the parish money to spend on our critical needs of the parish. I'm asking for volunteers who can cut grass in the church grounds during spring and summer.

**Holy Mass for the Staff of St. Joseph Multi Academy** will take place on Monday 5th January 2026 bringing together all teachers and support work in our schools. Come and pray with and for our teachers as we start a new year. Mass starts at 09:30am.

**You're invited to ALPHA:** Curious about faith? Have questions? Just want great company, conversation and good food? Join us for Alpha at Our Lady of then Angels Parish Hall starting 9th January 7pm-9pm. No pressure. No judgement. Just relaxed chats, shared meals, friendship and space to explore life, faith, and God together. Everyone is welcome. Bring your questions and come and journey with us.

**Funeral of Pauline Morris** will take place on Tuesday 13th January at 10:30am. Her mortal remains will be received into the church on Monday 12th January at 5:00pm. May she rest in eternal peace.

### Pay Some Attention to this:

#### DIOCESAN FUNDRAISING DRIVE FOR PARISHES

Dear Brothers and sisters, thank you for all you do and contribute to the life of the people of God and our shared mission in this parish I count myself blessed to be your parish priest. Together, we can build on very good foundations here, and grow into the future opening up before us.

Thank you all for the planned giving which is linked to a number of charities. Your generosity is great to such extent that we are able to pay utility costs (gas, electricity water bills etc). We have also been able to meet the parish insurance premium. I'm glad that we are still able to keep the church warm and get the roof fixed. However, we have known a few swings and roundabouts; the extraordinary times of Covid and lockdowns, the cost of living difficulties impacting all of us. As a parish, we have lost several key and often very generous parishioners and welcomed several new families. The Parish is moving forward.

As a parish, our carbon footprint is not good, we need to protect our planet for our children to live in it comfortably and in a healthy way. We need to find alternative ways of sourcing our energy. Beside this, as your parish priest, I'm keen that we move beyond maintenance into a renewed phase of mission.

What we are about is the love of God and sharing that love with others in our worship, in our service and in our proclamation of the gospel. However to do these things, we need to get the dull bits right as well and be financially stable.

#### Our vision for our parish:

As Christians, we are all part of the body of Christ, and we are called to use our gifts, talents and treasures to glorify God and to build his church. As we recover from the impact of Covid19 pandemic, as the cost of living rises, we at the same time look with confidence to the future. God has given us hope as we begin a new year 2026.

#### During this year let us focus on three points:

Evangelisation and Mission; the boundaries of our parish have expanded, but the priest number has remained the same. As your priests, we are not trained how to close parishes or chapels, but on how to keep them open. We are all called to become missionaries by becoming a missionary church ready to evangelise through our witness to gospel values. We want to be able to fund training and infrastructure in order to enable us to live, share and celebrate the Good News.

**Carbon Neutrality:** our footprint is not very good, we do not want to contribute unnecessarily to climate change. Therefore I'm contemplating installation of solar energy to our Church, hall and presbytery. Please save energy as much as you can.

**Resilience:** we need to be financially stable to be certain of our future. Did you know that we are not receiving funding from the government, from the Vatican or from the diocese? Each one of us is responsible for the upkeep of our parish whatever you decide to give in support of the church should suit your circumstances and meaningful to you.
